This design requires full cross stitches to complete. Backstitching of "Welcome to our Home" and bordering are also needed. No French knots or floss blending are necessary. Make sure your fabric is large enough to support the count size you have chosen (14, 16, or 18), leaving at least two inches on each side for a margin. Do not stitch shadowed grids.

This pattern requires 68 separate DMC floss colors at one skein each and two strands per full stitch to be completed as specified. You will also need four (4) more skeins of DMC B5200 - Snow White, for a total of five (5) skeins, in order to complete your design successfully. (If you choose to complete your design in 14 or 16 count, one (1) more skein of DMC B5200 - Snow White, for a total of six (6), will be required.)

Carefully review the details for backstitching requirements, which can be found in your instructions sheets.
